

Multi-Housing

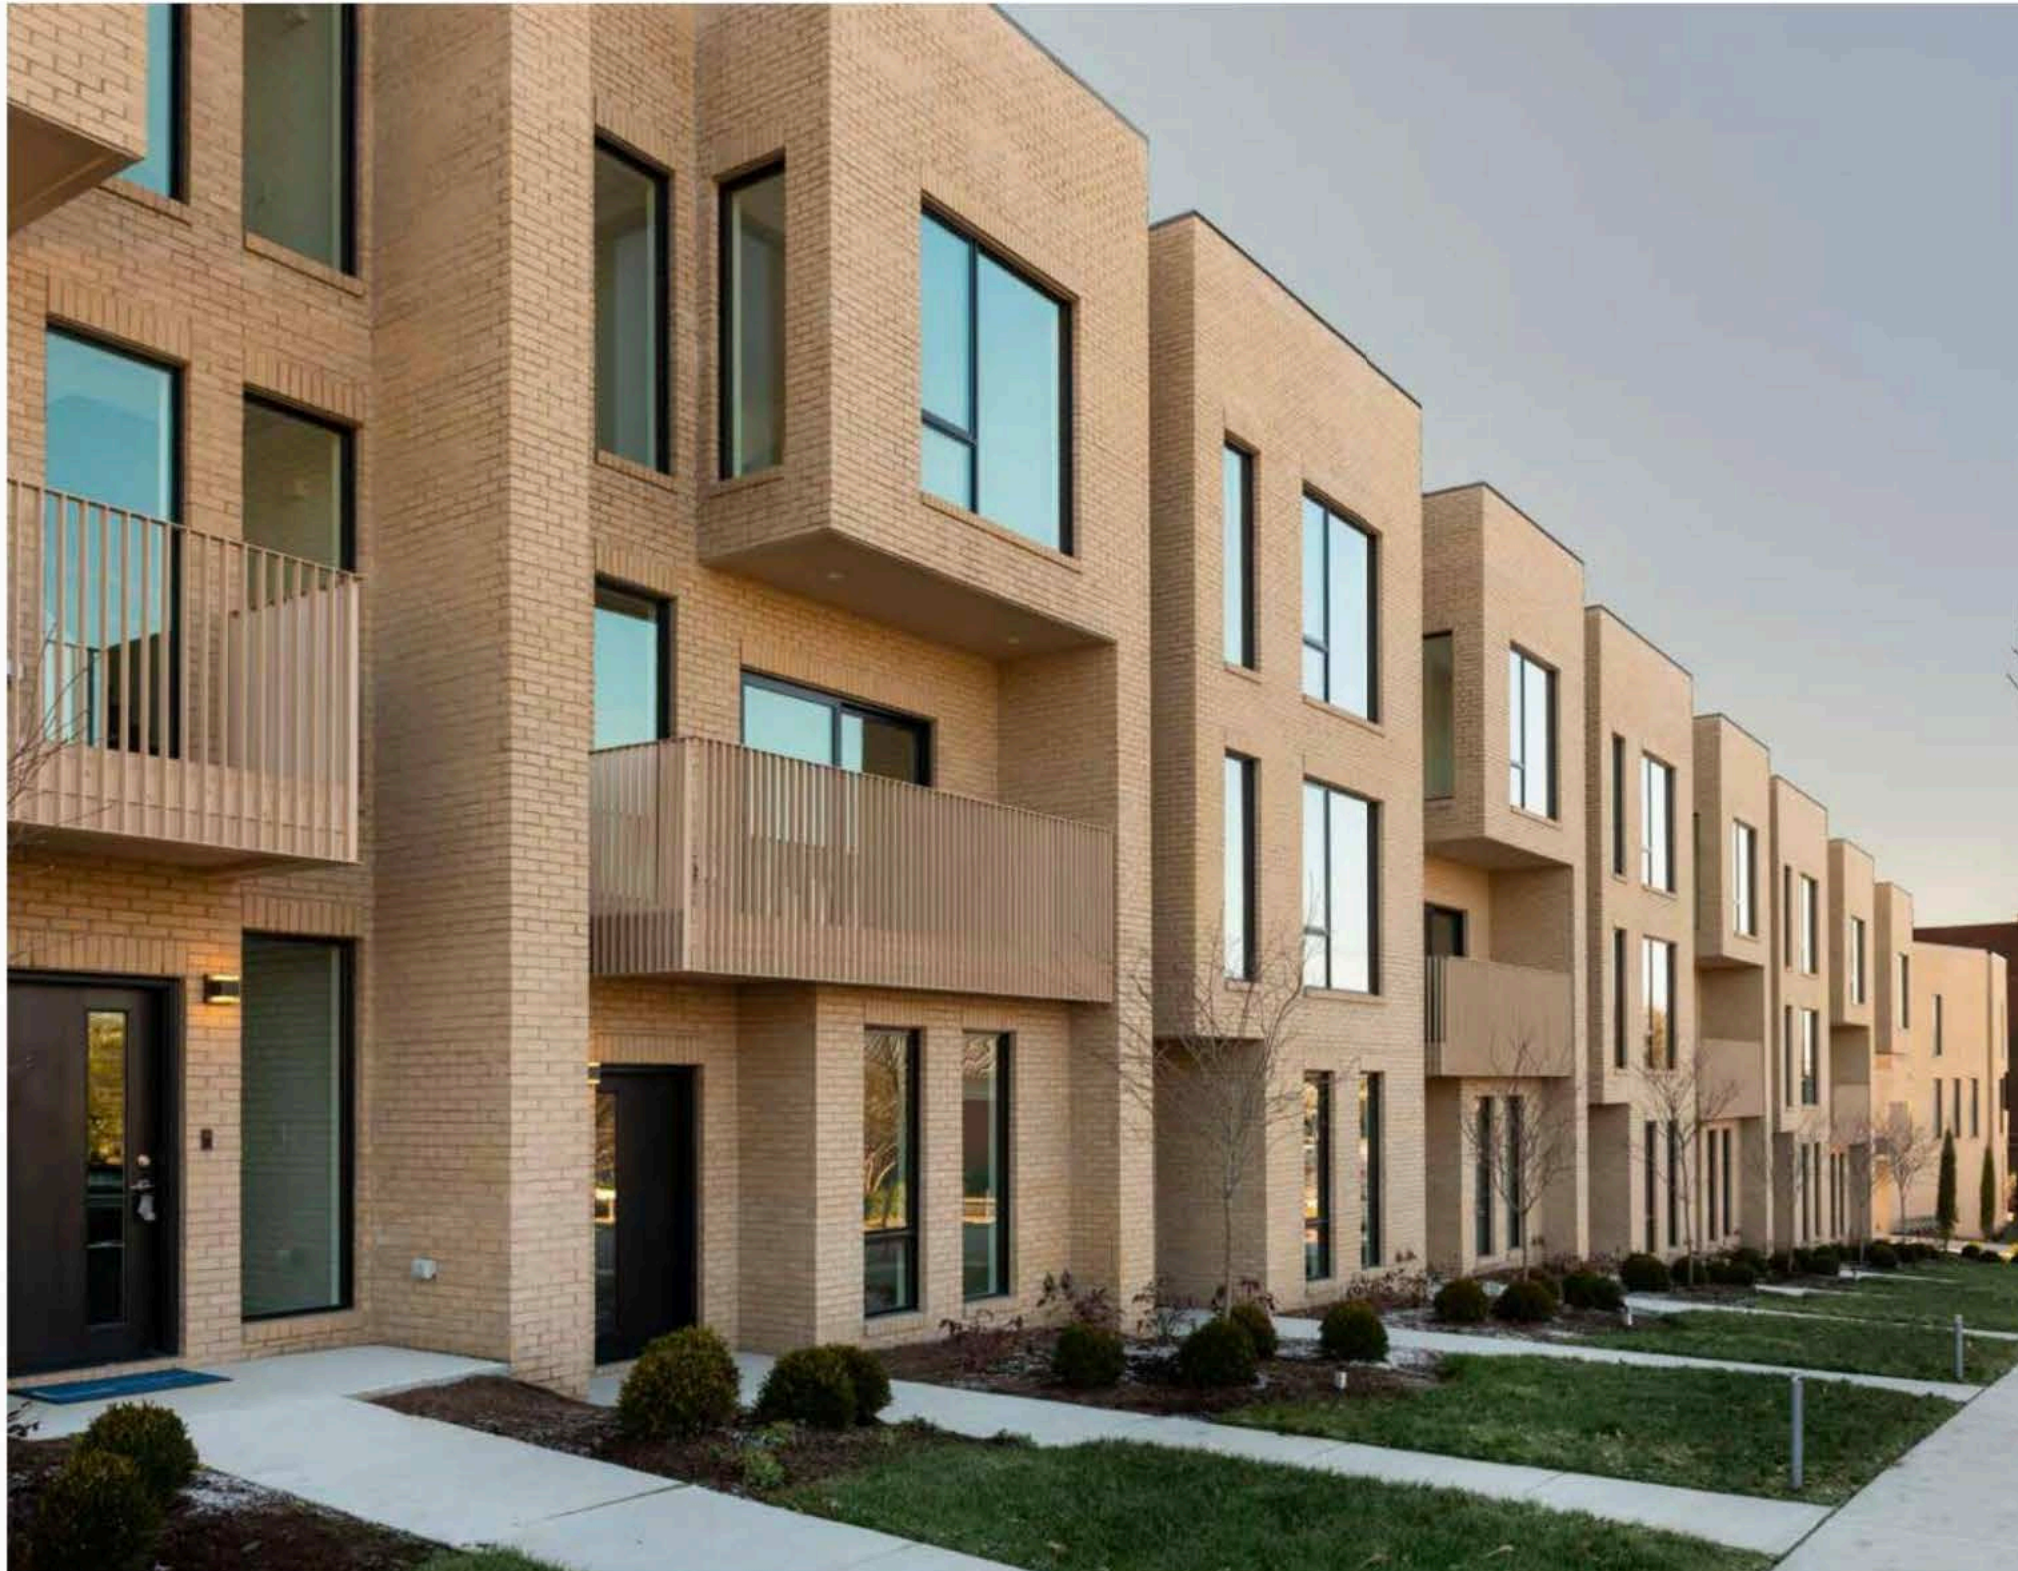

A man with a shaved head, wearing sunglasses, a dark long-sleeved button-down shirt, and light-colored trousers, stands with his hands in his pockets on a dirt and gravel construction site. In the background, a multi-story building is under construction, with visible windows and structural elements. The scene is brightly lit, suggesting a sunny day.

Thinking out of the box

How the Bradley
Development Group
is transforming the
neighborhood concept

Jared Bradley, AIA, NCARB, founder
and President of The Bradley Projects

Thinking out of the box

How the Bradley Development Group is transforming the neighborhood concept

For Jared Bradley, the process is pretty straight forward: His companies, The Bradley Development Group (BDG), The Bradley Projects and Certified Construction Services, design, build and develop their own projects with its partners and investors. By creating boundary-pushing concepts, the Nashville, Tennessee based company remains at the forefront of the built environment.
